

THE LILIUM BALL

CHAPTER II

THE LILIUM BALL

CHAPTER II

After two chapters of journeying and reckoning, in a world of uncertainty, we choose depth over haste.

Chapter Two is a deliberate pause, a moment of intention, to gather what runs deep and prepare for the next movement.

In music, Adagio is poise before motion, control, restraint, discernment, and clarity of timing.

Building on Chapter Zero and the triumphant Chapter One, this chapter deepens connection, bringing together leaders who value trust, long-term vision, and meaningful impact.

Like the Lilium, we choose depth over speed, intention over impulse, legacy over immediacy.

Join us for Chapter Two: Adagio.

Refine with intention.

Deepen what matters.

Prepare for what comes next.

Adagio.

A portion of the proceeds from Lilium Ball: Chapter Two will be directed toward supporting the Hong Kong historical collections at the Richard Charles Lee Canada-Hong Kong Library, housed within the University of Toronto Library. One of the most significant collections dedicated to the study of Hong Kong outside the city itself, the library preserves literature, archival materials, and historical records that document Hong Kong's development.

Supported through decades of donations from Canadians of Hong Kong heritage, these collections reflect a deep commitment to safeguarding collective memory. As new and returning Hongkongers continue to contribute materials, the need for professional cataloguing and archival support has become increasingly urgent. This work must take place while those who can verify, contextualize, and interpret these records are still with us, ensuring that this history remains accessible, and preserved for future generations.

ABOUT HKECC

The Hong Kong Entrepreneurs Chamber of Commerce (Canada) (HKECC) was founded in November 2022 to connect, support, and uplift Hongkongers in Canada. Today, we are a thriving network of over 300 entrepreneurs and professionals across finance, trade, real estate, law, medicine, media, and more.

OUR MISSION & VISION

To empower Canadian Hongkongers by fostering a community that thrives on becoming a significant contributor to Canada and its values. We serve as a unifying platform for Hong Kong entrepreneurs and professionals to establish, expand, and leave a lasting impact.

Join us for Chapter II.
Prepare for what comes next.
